

**Summer
Hygiene Drive
Guidebook**

Thank you for your interest in running a Hygiene Drive to benefit kids enrolled in Summer School in Hillsborough County Public Schools!

This guidebook has everything you need to know or print to have a successful drive. As the organizer, you'll serve more hours than other volunteers – be sure to track those hours so we can give you credit!

After you've looked through it, please contact us with all your questions and let us know you are starting this project -

HOW TO RUN A SUMMER HYGIENE DRIVE

Step 1: Contact Us

We can answer any questions you have, help you with materials, and update our hygiene wishlists! This drive can be done entirely online, making it easy for you!

Step 2: Find Your Community

Who will you target with this drive? Look for where you will promote this drive online or in-person.

Step 3: Promote!

Make posters, flyers, and social media posts letting your community know to start shopping for the event! Try sending emails, posting on NextDoor, and hanging flyers in public spaces.

Be sure to include QR codes and instructions about how to shop from our wishlists. We recommend telling your donors to name your drive in their gift comments when shopping online so that we can tally what you raised in your drive!

Step 4: Take Stock of Your Drive and Visit Us!

With a virtual drive, it can be hard to see the impact. Let us know a time when you'd like to visit us at Gary Adult High School once the drive has concluded. If you'd like to help us pack bags, stay tuned for more information.

You can bring a few extra volunteers to help us inventory the contributions your drive made and take pictures to send back out to your donors when you say "thank you."

Log Your Hours!

Be sure to record the hours you put into the project. Consider:

- Setting up the drive
- Promotion time
- Driving time
- Inventory time

We ask all volunteers to log their hours--your time is value added to our organization!

Scan to log.

For teens only:

Bring your school's physical service hours sheet to be signed by an OASIS staff member or email it to: **volunteers@oasisopportunities.org**.
Your hours will not be approved until they are submitted through our system AND your school tracking system.
